Association of Diagnostics Manufacturers of India-ADMI has announced a new leadership team in its FY19 AGM held at Mumbai.

Veena Kohli takes over as President; Nital Patel as Vice President; Abhinav Thakur as Secretary and Vinayak Bhat as Treasurer of ADMI. Dr. D. K. Joshi will continue as member of the Governing Council as Immediate Past President.

The decision was taken in the Annual General Body meeting of the Association held in Mumbai.

Welcoming the leadership team in their new roles and responsibilities, Veena Kohli said, “ADMI has emerged as a powerful voice of the India In Vitro Diagnostics Industry and it has been playing a catalytic role in the transformation that is taking place in the industry. We will work closely with all stakeholders including the government on several issues and look forward to creating a new In Vitro Diagnostics manufacturing ecosystem.”

Veena Kohli is CEO & Founder of Vanguard Diagnostics, Nital Patel is the Managing Director of Reckon Diagnostics, Abhinav Thakur is the Managing Director of Accurex Biomedical and Vinayak Bhat is the Managing Director of Asritha Diatech India.

Congratulating new Leadership Team, Dr. D. K. Joshi, former President of ADMI said, “We are fortunate to attract top leadership of Indian In Vitro Diagnostics Industry within ADMI which will help us achieve our vision. We will be ably guided by their expertise and experience to drive long term transformation in the In Vitro Diagnostics manufacturing sector by driving the growth of the industry.

Nital Patel and Abhinav Thakur have been associated with ADMI for over a decade in various capacities. The new leadership team has decades of experience in the In Vitro Diagnostics manufacturing sector. The new leadership team was instrumental in several reforms in the sector through its expert support to the industry in the past.
