Commenting on company's performance, Shyam S Bhartia, Chairman and Hari S Bhartia, Co-Chairman and MD, Jubilant Pharmova said, "During this quarter, in addition to YoY increase, we also reported sequential improvement in the speciality pharma segment with gradual recovery across radiopharmaceuticals, radiopharmacy and allergy business. In radiopharmaceuticals, we have enhanced efforts to promote existing products as well as expand our product pipeline with strategic partnerships. With a gradual recovery in nuclear medicine procedures, the turnaround plan of the radiopharmacy business is on track. CMO business continued to benefit from COVID related deals. Contract Research and Development Services business witnessed strong YoY growth in revenues led by healthy demand from customers. We have doubled our chemistry research capacity and the facility is operational now. Despite COVID-19 related lockdowns, we have been able to ensure continuity in most of our manufacturing operations across all business segments while at the same time ensuring the safety of our employees."
