

Metropolis Healthcare unveils 750 sq ft testing centre in Nashik

24 September 2021 | News

New centre capable of conducting 30,000 sample testing per month with an extensive menu of 80 + tests

Metropolis Healthcare has launched a new testing centre in Nashik, Maharashtra. The 750 sq ft laboratory can conduct around 30,000 sample testing per month with a quick turnaround time and high-quality reports. The chief guest for the launch was Dr Avesh Pallod, Additional Commissioner, Municipal Corporation, Nashik. Metropolis Laboratory, Nashik, will offer about 80+ different tests ranging from basic day to day pathology tests to high-end molecular diagnostics tests.

Dr Manoj Patel, Head of Dr Patel Metropolis Lab in Nashik, Metropolis Healthcare, said "We are proud to announce the launch of our new processing lab at Nashik Road. Metropolis Healthcare has been serving the people of Nashik for more than a decade now. During the beginning of COVID-19, we catered to more than 50,000 patients."

Vijender Singh, CEO, Metropolis Healthcare said about the launch, "In addition to our existing labs, we are elated to announce the launch of our new testing laboratory in Nashik, Maharashtra. While the pandemic continues to be in the shadow, our constant aim has been to expand to more cities across India and always be available for everyone on a real-time basis. The team working at the lab works day-in-day-out to ensure perfection of the highest order."

The new laboratory is located at Shop No. 4 & 5, Ground floor, Durga Apartment, Artillary Centre Road, Near Durga Udyan, Nashik Road, Nashik – 422101.
