

Mumbai-based Nanavati-Max Hospital to invest Rs 700 Cr for hospital expansion

09 May 2022 | News

The hospital will see an addition of 600 beds by 2024

Dr Balabhai Nanavati Hospital (Nanavati-Max Super Speciality Hospital), Mumbai embarked on an ambitious expansion plan that would add over 600 beds to its existing capacity of 350 beds, by 2024. The new additions will significantly enhance the capacity of the hospital by over 600 beds. Post expansion, the hospital will have over 950 state-of-the-art patient beds. The new building is expected to be commissioned by 2024. Post the expansion, Nanavati-Max Hospital will be amongst the largest private sector hospital in western India.

This expansion is at an investment of over Rs 700 crore and would create [employment opportunities](#) for over 5,000 doctors, nurses and other healthcare workers. Also, 20 per cent of the beds will be earmarked for patients from the economically weaker section of society to provide quality healthcare. This will make a 180-bed facility available on completion of the entire project for the economically weaker patients.
