

ART Fertility Clinics appoints Dr Richa Jagtap, Dr Parul Katiyar as Co-Medical Directors

18 July 2022 | News

The appointment of two Co-Medical Directors would enhance clinical and medical focus

ART Fertility Clinics announced the appointment of two co-medical directors, Dr Richa Jagtap and Dr Parul Katiyar for its India operations. Dr Jagtap has been a popular name in the field of treating infertility and she owns multiple international fellowships on her name. Dr Katiyar is also an infertility expert and has dedicated her decades of experience in evidence-based treatment to patients.

Prof Dr Human Fatemi, Group Medical Director, ART Fertility Clinics, said, "Dr Jagtap and Dr Katiyar are not only experts in fertility treatments and assisted reproduction, but also have rich experience managing complex cases. They are highly qualified doctors, with international publications on their names and are known for their professional excellence in patient care."
