Agilus Diagnostics, a subsidiary of Fortis Healthcare, has announced the launch of a new laboratory in Bongaigaon, Assam. The advanced laboratory has the capacity to process 25,000+ samples in a month ranging from simple routine tests to semi-specialised and specialised tests.

Recognising the rising demand for quality diagnostic services, Agilus has expanded its capabilities by launching this laboratory in Bongaigaon. The citizens of Bongaigaon will now have access to Agilus' extensive test menu comprising of 3,000+ tests and a range of well-curated preventive healthcare packages.

This new Agilus lab in Bongaigaon along with its existing laboratory network in Assam will also cater to Dhuburi, Goalpara, Barpeta.

Anand K, Managing Director & CEO, Agilus Diagnostics said, "Our new lab in Bongaigaon helps us improve the turnaround time on reports and also strengthen our position in the state of Assam. We have also enabled home collection services for the benefit of our customers and other valued added services like ordering tests through our website and intuitive mobile app, receiving diagnostic reports through WhatsApp etc."

The advanced laboratory spread over 2000 sq ft has multiple laboratory divisions including Hematology, Biochemistry, Clinical Pathology, Serology and Microbiology.
