

Historic day for Haryana's healthcare ecosystem as PM lays foundation stone of AIIMS Rewari

16 February 2024 | News

Being developed at a cost of Rs 1650 crore on 203 acres of land

Prime Minister (PM) Narendra Modi laid the foundation stone of All India Institute of Medical Sciences (AIIMS), Rewari in the presence of Bandaru Dattatreya, Governor, Haryana, on 16 Feb 2024.

This new AIIMS is being developed at a cost of Rs 1650 crore on 203 acres of land at Majra Mastil Bhalkhi village in Rewari district of Haryana. AIIMS, Rewari is a 750-bed hospital complex which includes a 100 seat medical college, a 60 seat nursing college, a 30-bed AYUSH block, residential complex for faculty and staff, hostels for undergraduate and postgraduate students, Night Shelter, guest houses, auditoriums and shopping complexes etc.

This state-of-the-art hospital will provide high quality patient care services in 17 super specialty and 18 specialty departments including Cardiology, Gastro-Enterology, Nephrology, Urology, Neurology, Neurosurgery, Medical Oncology, Surgical Oncology, Endocrinology, Burns and Plastic Surgery. The Specialty block of AIIMS Rewari will consist of 360 beds, while the Super Specialty Unit will have 215 beds.

The institute will also have a 75 bedded Intensive Care Unit (ICU), 30 bedded Emergency & Trauma Centre, 16 modular operation theatres, 2 minor operation theatres, diagnostic laboratories, blood bank and pharmacy. The institute will provide better healthcare benefits to the underprivileged population of remote areas of the state through community outreach by virtue of its digital health infrastructure.
