

Shri Satya Sai Heart Hospital Ahmedabad and Rajkot ink MoU with Gujarat Health Department

16 July 2025 | News

Completely free heart surgery will be done in Shri Satya Sai Heart Hospital in Rajkot and Ahmedabad

Shri Satya Sai Heart Hospital Ahmedabad and Shri Satya Sai Heart Hospital Rajkot has signed an Memorandum of Understanding (MoU) with Gujarat Health Department for free heart surgeries.

On this special occasion, the MoU was signed between Gujarat Health Department Secretary, Dr Ratankarvar H. Gadhwacharan (Commissioner of Health (Rural) & Mission Director, National Health Mission) and Manoj Bhimani, Managing Trustee of Shri Satya Sai Heart Hospital.

Under this agreement, completely free heart surgery will be done in Shri Satya Sai Heart Hospital in Rajkot and Ahmedabad for all the needy children and adults of Gujarat state. Initially, patients suffering from heart disease from 6 districts of the state will be sent to Shri Satya Sai Heart Hospital in Ahmedabad for free treatment.

This hospital has signed agreements with different states of the country, including Odisha, Rajasthan, Bihar, Madhya Pradesh, Assam, Jharkhand and the Union Territory of Leh Ladakh, where patients suffering from heart disease are treated free of cost. Gujarat is the 9th state with which Shri Sathya Sai Heart Hospital has signed an agreement.

Shri Sathya Sai Heart Hospital, Kashindra, with 310 beds, 4 operation theaters, 4 ICU-ICCU, and a Cath Lab, is becoming a

unique example in the field of service. Here, all pediatric patients are operated on free of cost without any discrimination of religion, caste or gender.

Shri Satya Sai Heart Hospital Ahmedabad, which is India's largest charitable hospital for pediatric heart disease, performs expensive heart surgeries in children, which cost Rs 3 to 5 lakh in any hospital, free of cost.
